APRIL 2018 NEWSLETTER ISSUE 96

The editor will try to publish newsletters in future by mid-December and by the end of April and August. Newsletters since that for the August 2014 edition are also available as a pdf file from the Society website. A new section "5" on the Society web site has been designed to accommodate this.

INTRODUCTION

Welcome to the spring 2018 newsletter. We have continued with a very varied and also very interesting new 2017-2018 programme. Our thanks are due to Rufus Barnes, who has organised the new programme for the Society.

From time to time we have to make changes to our published programme on the blue cards. However, the editor tries to keep the programme details on the Society's web site always up to date; this can be found at; - www.cambridgephilatelicsociety.co.uk

If any member is on email, and has not received this newsletter by email, but would be happy to receive future newsletters and communications by email then would you please let the secretary know at; info@cambridgephilatelicsociety.co.uk ; this will help save on both postage and paper costs.

JOHN TOWLER

It is with great sadness that the Society has to advise of the death of John Towler on 19th February 2018. It is believed that John was in his late eighties when he died.

John had a lifelong interest in philately and is believed to have joined the Society when he was a teenager and therefore achieving a record breaking 70 years as a member. He was a loyal and hardworking member of the Society and served on the executive committee for many years. He was President of the Society from 1975-1977 and again from 1989-1991. In 1995 he was given the Jack Simmonds Award of Merit for his commitment to the Society. He was also a life member of the Society many years.

He also served on the federation committee of the East Anglian and East Midlands Philatelic Federation for many years. He was President from 1983-1986 and Treasurer from 1986 -2000. For his hard work and commitment to the Federation he was appointed a Patron of the federation several years ago. When the federation was reformed as the Mid Anglia Philatelic Federation he continued to serve on that committee.

In 1988 John received from the BPF (since reformed as ABPS) the Award of Merit, which is given for outstanding service to regional philately. His philatelic interests included Fiji, military, letter boxes and Newmarket postal history.

ALISTAIR KENNEDY

We were very saddened to be advised on 24th April 2018 by RPSL that Alistair Kennedy had died; subsequent enquiries made with RPSL indicated that though they had been advised of

his death the previous day Alistair may well have died on 14th March 2018. Alistair had been ill since around Christmas last year but the difficulty was that no-one in the society, nor members from North Herts Stamp Club really knew not only what he was suffering from nor indeed just where he was.

Alistair was a very keen philatelist with interests covering Forces Postal History, Hertfordshire Postal History, Aden and any covers which he found to be of interest. He had been a member of the Cambridge Philatelic Society for many years, and was a current committee member; he had been on the committee for over ten years. He was President of the society from 2008 to 2010. He achieved the Jack Simmonds Award of Merit in 2013.

He was also a very active member of the Forces Postal History Society and also the Royal Philatelic Society London; he joined RPSL in 2003 and was elected a fellow in 2009.

He was also secretary of the Royston section of the North Herts Stamp Club for many years. Alistair will be sadly missed by all; a knowledgeable encyclopaedic brain has been lost to the society.
